| Debit Card |

| Info |

For security reasons a 6 digit code

Primary colors : white, black, blue

After register -> 2 options

Ped pill   ↓   blue pill

(Customer)   (Provider)

Customer
asks for   Purple pill   gives his
services   (best of both   skillset
                  worlds)

Best design would better
be like twitter or
reddit

Profile
History | Name Service she needs |
Messages | ☐   Distance -Payment | Accept |
Settings | |
Notifications| This is what the |
             | home page will look like |

Map with locations
Pin pointed

Home page separated in 2 :

(Services   needed)

↓

(Jobs) | we also need to add
              | ratings for each
              | person

↓

Jobs would require a CV

so we should make this
option for the clients
who put more info

→ In order to unlock
please enter your cv

[🔼 UPLOAD   ]   [DONE]

Name   Job
□   description
          distance - payment | APPLY |

P.S : We need a upload button
      on top of profile (like gmail)

Notifications

&Filani&

Send &Type smth here& [camera] &Req/Comp&

&Req/ comp& → Perfundimi i punes.

Advantages → The client can decide if the
service has been completed.

- if they don't have any contract
active - the button turns gray

Homepage

Services 🖊️! Jobs

You may not apply for another contract while having another active

name ☐	Service desc distance - payment rating	completed

(Cancel contract)

↓

are you sure

It connects with

[Report]

If he presses the completed button, the client cannot cancel anymore.

(Req/Comp)
